

2023 Rhode Island

Residential heat pump water heater rebate application

Rhode Island Energy™
a PPL company

844-615-8315 | rienrgy.com

Save energy and money, improve comfort, and make your home better with this energy savings offer for residential electric water heating customers.

- **Rebates up to \$600* for qualified heat pump water heaters**

These programs are funded by the energy efficiency charge on all customers' utility bills, in accordance with Rhode Island law.

Please submit online to receive rebate faster: rienrgy.com/rirebates

*Rhode Island Energy offers rebates of up to \$600 for the installation of a qualifying energy-efficient electric heat pump water heater when replacing an existing electric water heater or installing a water heater for the first time in a newly constructed home. A heat pump water heater is an electric storage tank replacement, and rebates are not available for replacement of oil, propane, or gas water heating units. The unit must be installed by a licensed plumber in order to qualify for the rebate, certain equipment models are eligible, and there are restrictions about where the unit can be installed to ensure that it operates at its maximum efficiency. Limit three (3) rebates per RI residential electric account.

ELIGIBLE EQUIPMENT

Equipment	Rebate
Electric heat pump water heater, 55 gallons or less – Uniform Energy Factor of 2.0 or more	\$600
Electric heat pump water heater, greater than 55 gallons – Uniform Energy Factor of 2.7 or more	\$150

††Limit two (2) rebates per RI residential electric account.

BEFORE YOU APPLY

1. Verify that the electric heat pump water heater you will be purchasing qualifies for a rebate by consulting with a licensed plumber.
2. Purchase a qualified electric heat pump water heater and have it installed by a licensed plumber. The equipment must be installed properly at a property with an active Rhode Island Energy RI residential electric account.

TO APPLY

Obtain an invoice from your contractor/plumber. The invoice must contain the following information: equipment make and model numbers, size (in gallons), date and location of installation, total installation cost, and contractor's name and address. It must indicate "paid in full" or "zero balance."

Save time, and apply online! Visit rienrgy.com/rirebates or, mail the following items:

- This application, completed accurately and legibly.
- Dated receipt with complete model information.
- A dated invoice from your contractor that includes; equipment make and model numbers, size (in gallons), date and location of installation, total installation cost, and contractor's name and address. It must indicate "paid in full" or "zero balance".
- Copy of your most recent Rhode Island Energy electric bill.

Mail to: Rhode Island Energy RI Electric Heat Pump Water Heater Rebates
P.O. Box 2528
Manchester, CT 06045

Rebate form and required documentation must be postmarked or submitted online within 90 days of equipment installation date.

IMPORTANT: Photocopy your entire submission for your records. You could be required to mail these photocopies. Offer valid on equipment purchased and installed between January 1, 2023 and December 31, 2023 (subject to funding availability).

All submissions must be postmarked or submitted online within 90 days of equipment installation. Please allow 8–10 weeks for processing.

To review the status of your application, please contact us at 800-292-2032 or visit rienrgy.com/rirebates

TERMS AND CONDITIONS

Heat pump water heater must be installed by a RI licensed contractor and/or plumber within Rhode Island Energy's electric service area. It must be UL listed; installed in accordance with the National Electric Code and manufacturer's specifications; and conform to all applicable municipal, state and federal codes, standards and regulations, as well as program requirements. Must be *Uniform Energy Factor (UEF) of 2.0 or greater for a heat pump water heater of 55 gallons or less and UEF of 2.7 or greater for a heat pump water heater great than 55 gallons. Rebate amount not to exceed the cost of equipment (excluding sales tax and all installation costs). Program is subject to change without prior notice, including rebate levels. *Uniform Energy Factor (UEF) is the ratio of useful energy output from a water heater to the total amount of energy delivered to the water heater. The higher the UEF, the more efficient the water heater.

Rebates are available to eligible Rhode Island Energy residential electric customers only. One electric account number per form. Some restrictions may apply. Rebate offers are subject to change without notice. You must agree to Terms and Conditions. Form must be completed in its entirety.

Please submit online at rienrgy.com/rirebates or mail completed form with all required documents to:

WORK COMPLETION AND REBATE VALIDATION

I hereby request a rebate for the listed work. Attached are copies of all receipts. I certify that new equipment is replacing an existing electric storage tank water heater or is new construction. I certify that all information above is correct to the best of my knowledge and that I have read and agree to all Terms and Conditions of this rebate. I certify that a licensed contractor has installed the listed energy-efficient equipment in accordance with Program Guidelines and Terms and Conditions as described on this form. This rebate is for the benefit of Rhode Island residential electric customers of Rhode Island Energy. This rebate may not be combined with any other utility or energy efficiency service provider offer and may be subject to change without notice. I understand that some restrictions may apply. Rhode Island Energy reserves the right to conduct field inspections to verify installations. Limitation of liability: Rhode Island Energy does not guarantee the performance of installed equipment expressly or implicitly. Rhode Island Energy does not endorse any particular contractor, manufacturer, dealer, materials, product, system design or technology in promoting these offers. Customer agrees that the Energy Efficiency Program Provider (EEPP) has the unilateral right to apply for any ISO-NE capacity payments or environmental credits resulting from this energy efficiency project, and agrees not to file for such payments or credits either directly or indirectly. Contractors agree to provide the EEPP with such further documentation as the EEPP may request to confirm the EEPP's ownership of such benefits. Rhode Island Energy and the rebate administrator's liability is limited to paying the rebate specified. Rhode Island Energy and the rebate administrator are not liable for (1) the quality, safety, and/or installation of the equipment, including its fitness for any purpose; (2) the estimated energy savings of the equipment; (3) the workmanship of the installation contractor; and (4) any consequential or incidental damages or for any damages in tort connected with or resulting from participation in these offers. Rhode Island Energy will not be responsible for any tax liability that may be imposed on the customer or contractor as a result of the payment of rebates.
